## **FORMAT**

The first heat will commence at 8.00 am each day unless we have to travel down the coast when start time will be advised. We have a lot of heats to get through so we will be running on time.

All heats will be 15 minutes duration unless advised by contest director of an extension.

The beach marshal will advise you when your heat is due, but it's also important to keep an eye on how the day is progressing. Be prepared well in advance of your heat.

Heats will commence with one blast on the air-horns and finish with two blasts.

The next heat will commence one minute after the conclusion of the previous heat so please ensure you are “out the back” ready. No waiting for slow coaches.

The divisions will be seeded and each competitor will surf twice in their division against different surfers each time as far as is practicable.

Points are awarded for each position – 1<sup>st</sup> = 10; 2<sup>nd</sup> = 8; 3<sup>rd</sup> = 6; 4<sup>th</sup> = 4; 5<sup>th</sup> = 4.

The four top point scorers with a combined total gained over the two heats, will contest the final. If there is a draw of points then the person with the highest placing (1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup>) will progress. If there is still a draw then the person with the highest single wave score from either of the two heats will progress. The contest director's decision will be final.

If you believe you have suffered interference to your ride please indicate by raising both arms above your head at the end of the ride. Surfers deemed by the judges to have caused interference will be deducted 50% of their second highest scoring wave.

Once the horn goes please boogie board or knee board your board in so you don't confuse the judges.

Please return your rashie as soon as possible to the beach marshal arena after your heat.

**If you are free surfing over the weekend, please ensure you stay well away from the competitors' area.**

**As usual, the normal fare of a continuous BBQ accompanied by heaps of nutritious finger food will be available.**

**Plus arrive early ( 23<sup>rd</sup> to 29<sup>th</sup> March) to enjoy the New Zealand Surf Festival featuring NZ's only ASP international events; a SIX-STAR WOMEN'S WQS, girls and boys PRO JUNIORS. Go to**
